Ten monthly installments will pay the year's tuition beginning September 1, 2011. We operate on a ten month basis. A late fee of \$20.00 will be applied to any account which is not paid by the 5th of the month and an additional \$20.00 late fee will be assessed for each additional month that the original tuition is not paid. There is a \$30.00 fee for any bank returned checks. Failure to pay the first semester's tuition will preclude enrollment in the second semester. Any account that is more than 30 days in arrears could result in the student being dismissed. When the account is in arrears the report card will be held. If there is a problem, it is wise to call the school office.
