

FAITH ASSEMBLY OF GOD

Faith Kids Camp

Consumers of Faith Kids Camp & School's Out,

Summer Season 2010

Greetings in Jesus name! Yes, it is already time to think about early registration for your child's summer camp needs by marking your calendars and scheduling 1-5 weeks (June 28-July 30) of none stop fun for your child. New to camp this year will be a special emphasis on a unique puppet ministry program that will excite our campers and keep them on the edge of their seats!

As always, we will have many of the same activities and events that children have grown to love and appreciate over the years. Each week, children will have the opportunity to participate in sports activities, computer time, hands-on crafts and cooking projects, daily field trips, swim lessons, and the education of environmental discovery! Our Leaders-In-Training (7-8 Grade) campers will have a unique opportunity to serve as servant leaders in the mentoring of our younger camp participants. Best of all, children will have the opportunity to develop socially, physically, mentally and spiritually.

Registration is now in progress! The camp registration process can take place several ways:

- 1) You can access Faith Kids Camp via the internet (www.Faithag1.org), download a registration packet in PDF format and mail back to us.
- 2) You may call the Camp Office and request a registration packet be sent to your home to be completed and mailed back to "Faith Assembly, Attn: Faith Kids Camp."
- 3) You may stop by the camp office, located inside the church, pickup and complete the registration packet on site. (A current 12 month Health/Physical form is required.)

At Faith Kids Camp, our spiritual curriculum will give children an opportunity to develop a greater understanding of the salvation message, which is found in John 3:16 of the scriptures. We appreciate your choosing Faith Kids Camp, as our well trained staff and leadership consider it a wonderful blessing and privilege to provide a service of Christ-Like integrity!

This summer, Pastor Ray Martin will assume directorship of Faith Kids Camp, (Children's Pastor). I will be stepping down from my position as the SACC director and beginning a new season in my life. I will be getting married and residing in Madison, Wisconsin.

In Christ,

Ryan Jones

Ryan Jones, M.S.
