

Mrs. Norma Salvati

I serve as the Site Coordinator in the Schools Out Program as well as the Pre-K Summer Camp Program.

I have been married for 40 years and blessed with three children and eight grandchildren. For over 30 years my husband and I have been in business for ourselves. Presently, we are in the Home Inspection business. While most people go to college after high school, I was a late bloomer and waited till my 40's. While juggling family and work I enrolled at Empire State College. Four years later I accomplished my goal and graduated with an Associate's Degree. I love to read and play video games on my computer, but most of all I enjoy spending time with my family.

I am a member of Faith Assembly of God and feel blessed that God has planted me in a true church of Jesus Christ where I am learning to walk closer with God.

I love all the children who attend our programs and enjoy being in their company. Our main goal is to make Jesus the focus of their lives, but also to have fun while they are learning. My co-workers are a great team of people and because of their love for children each one contributes a unique gift to the program.

In Christ,

Mrs. Norma
